

The MIND Nutritional Information Technology

**Make
Informed
Nutritional
Decisions**

Did you ever want to know the nutritional information of a product *BEFORE* you purchased it?

The MIND is an easy to use touch-screen that allows consumers to see that information prior to making a selection. Simply enter the product ID (Example: E1) and the information will appear.

Easy to install on practically any machine.

Features:

- Easy to Use Touch-Screen
- Easy to Install on All Vending Machines (New & Legacy Machines)
- Provides Complete Nutritional and Ingredient Information
- Priced from \$195—3 Different Buying Options

Innovation obsessed. Vending driven.
